Being held on the same weekend as the State RM Title meant that the sailing conditions were the same (hot). Winds at 15 - 20 Km/Hr from the SW meant another 40deg C temperature

This time Denis did not quite have the firepower and Cassie was delighted to win the Bournville Trophy for 2009 and Denis had to accept second place (which he did graciously). Once again Ben Morris showed good form and very nearly edged Denis out of second place.

Again thank you to all the officials who gave their time and effort to make the weekend successful. Thank you to our Tasmanian visitors, we look forward to seeing you again in January.
